

# MegaWall Modular Displays

Enjoy the strength and durability of MegaWall Steel Slatwall in a free-standing display unit. They are great for showcasing items thought to be too heavy for display units.

T-Units, L-Units, Tri-Dolas, and Mega-Dolas™ are all available in our modular display unit line. Create your own display unit combining different T-Units with Tri-Hubs.

## Tridola 3" o/c

Part #	Dimensions	All Finishes
TD-5424-3	3 - 24" wings x 54" high, 16" deck	\$2,208.00
TD-5448-3	3 - 48" wings x 54" high, 16" deck	\$2,898.00

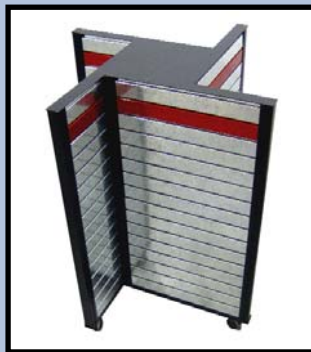

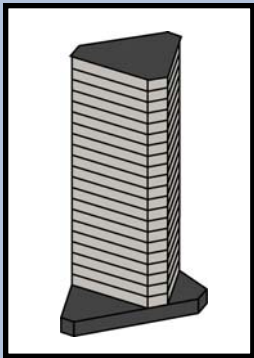

Tri-Dolas are our standard T-Unit/Tri-Hub configuration. They're great to create display areas. There are two different lengths for the Tri-Dola available. Tridola's are shipped knocked-down (unassembled).

## Megadola 3" o/c

Part #	Dimensions	All Finishes
MD-54-3	54" High x 63" Deep x 110" Wide	\$4,140.00

The Mega-Dola™ is our ultimate modular display. Customization is available with the options of T-Unit legs on the ends and in the middle section. Megadola's are shipped knocked-down (unassembled).

## TriHub 3" o/c

Part #	Dimensions	All Finishes
S-H-5416-3	24" wide x 54" high	\$798.00

TriHubs unite T-Units together to create display units. The ability to utilize different T-Unit "leg" lengths is an option along with the finish options. TriHubs can also be used as stand-alone mini-display areas. TriHubs are shipped knocked-down (unassembled).

## Pinwheel 3" o/c
