

# ALUMINUM SLATWALL

MegaWall aluminum slatwall is specified for both perimeter walls and retail fixtures. Standard sizes and finishes are listed below. Custom powdercoat and custom sizes can be quoted.

### Size:

Megawall Aluminum is extruded in three different on center sizes. Each is extruded in 6" high parts at standard and custom lengths.

- ◆ 1" on center
- ◆ 1.5" on center
- ◆ 3" on center

### Style:

Our 1" and 1.5" on center come in flat back and hidden fastener style as well as double sided slatwall. The 3" on center comes only hidden fastener.

- ◆ Flatback (1", 1.5")
- ◆ Hidden Fastener (1", 1.5", 3")
- ◆ Double Sided (1", 1.5")

### Specifications:

CAD Files are available on our web site. [www.megawall.com](http://www.megawall.com).

Standard finishes are listed. Custom colors require quote.

Standard products usually ship in 1 - 2 weeks.

All orders are shipped bulk, common carrier unless other arrangements are made.
