

PVC SLATWALL

MegaWall PVC slatwall is specified for both perimeter walls and retail fixtures. Standard sizes and finishes are listed below. Custom paint and custom sizes can be quoted.

Size:

Megawall Aluminum is extruded in three different on center sizes. Each is extruded in 6" high parts at standard and custom lengths.

- ◆ 1" on center
- ◆ 1.5" on center
- ◆ 1.375" on center
- ◆ 3" on center

Style:

all of our plastic slatwall is flatback style .

- ◆ Flatback (all sizes)
- ◆ Double Sided (1.5")

Specifications:

CAD Files are available on our web site. www.megawall.com.

Standard finishes are listed. Custom colors require quote.

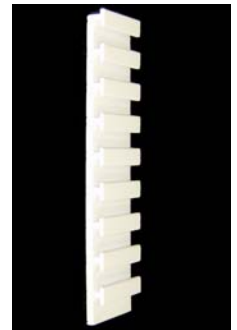

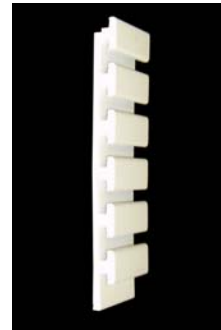

Standard products usually ship in 1 - 2 weeks.

All orders are shipped bulk, common carrier unless other arrangements are made.
