Specified by World Class Designers for Leading Retailers

Beautiful and durable with unparalleled strength.

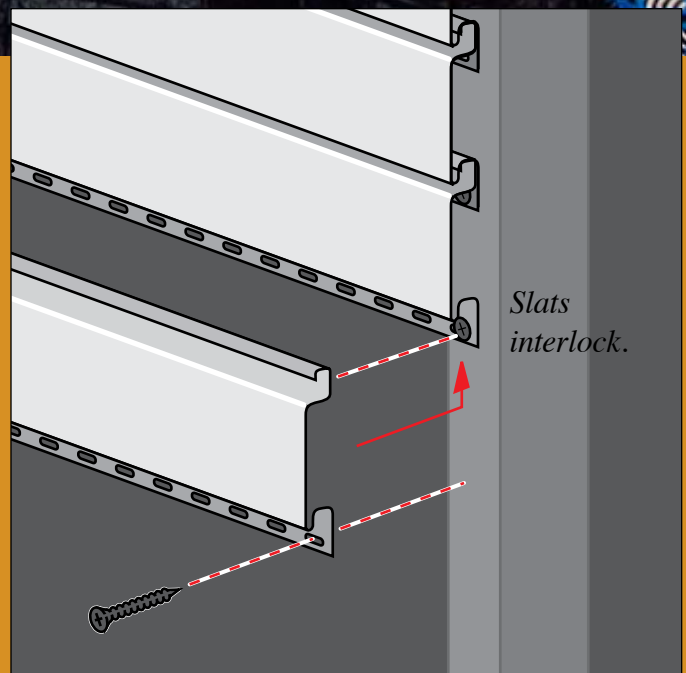

Steel

The #1 specified steel slatwall.

Outstanding appearance, incredible strength and unmatched durability. Specified by world class designers for leading retailers, Megawall steel slatwall is unmatched in value. Available in an exciting variety of finishes that can be mixed and matched on the same wall or fixture. Custom colors too — just call!

MegaWall steel slatwall installs easily and quickly with no visible fasteners. It's available in custom lengths, has no dust or formaldehyde emission, no expansion or shrinkage issues and is easy to clean.

PATENT NUMBER 7,571,571 B1

The most versatile slatwall available. Period.

Aluminum

Lightweight, multiple slat options & finishes

MegaWall aluminum slatwall offers outstanding advantages for use on walls and in fixtures. It comes in both anodized and powdercoat finishes and is LEED certified. Available in 4 different slat spacings — 1", 1.5", 2" and 3" on-center to suit any display environment. The 1" and 1.5" versions have options of a flat back, hidden-fastener back (no visible screws) or even double sided — ideal for freestanding displays. Our 2" works as single or double-sided and our 3" is available only as a hidden fastener. All extrusions come as 6" high sections that interlock together. Custom lengths and colors are available - just call for a quote.

Aluminum Slatwall Specifications

We can custom powdercoat match most colors. Setup charges and minimum runs may apply. CAD files are available on request. Standard products and finishes usually ship in 1-2 weeks. All orders are shipped bulk, common carrier unless other arrangements are made.

MEGAWALL
SLATWALL SYSTEMS

800-948-2736 www.megawall.com

Lightweight with multiple slat spacing.

Plastic

Bendable and ideal for lightweight fixtures

MegaWall plastic slatwall can be specified for both perimeter walls and retail fixtures. It's most unique quality is that it can be bent around curves or even columns. Light in weight, it's also ideal for counter top displays. As a final plus, it's 100% recyclable. Available only in flatback style. Standard colors are white and black. Custom colors can be quoted.

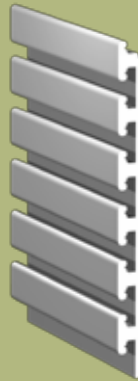

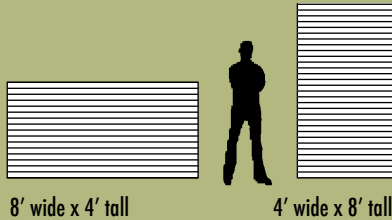

Plastic Slatwall Specifications

1-3/8" On-Center, 8.75" Extrusion

Part #	Description	Unit Price
NL-96-W	Narrowline PVC, 8.75" Tall Extrusion 96" Long	\$39.50
NLP_*x_*	Narrowline PVC Panel, 4'x8' or 8'x4' with Luan back	\$310.50

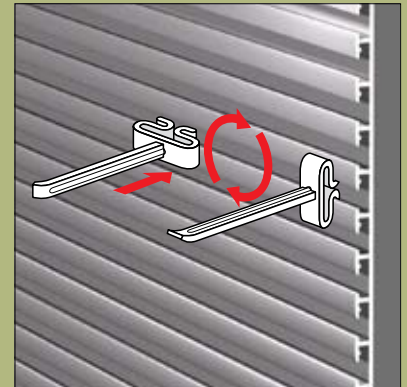

Both 1-3/8" and 1" are available in stock white and black. Panels come standard with 1/4" luan backer which can be substituted with Sintra or 3/8" plywood for additional cost.

Plastic bends around curves and even columns.

1" On-Center, 6" Extrusion

Part #	Description	Unit Price
AP-1-96-W	MegaWall Rigid Styrene 6" Tall Extrusion 96" Long	\$28.00

Our 1" plastic slatwall accomodates custom hooks that snap in, twist and lock securely - even on displays that spin. They're ideal for earrings and jewelry like items. For lightweight use only.

Terms and Conditions

Payment and Terms

Terms are net 30 days from date of invoice (shipping date) to all approved accounts. All overdue accounts will be charged at a rate of 1-1/2% per month, calculated daily. American Express, Visa and Mastercard accepted.

Credit

Acceptance of orders and shipment shall be subject to the approval of our credit department. New accounts are asked to complete our "New Account Application" form with their order.

Shipments

All shipments are F.O.B. our plant, Comstock Park, Michigan. Where shipment is requested on a prepaid basis, the freight charges can be included on the invoice, or charged separately by prearranged third party billing or "collect" directly to the consignee.

Cancellations

Cancellations will not be accepted on any orders for custom or special items at any time after entry into our system. Cancellation requests for regular items will incur a \$50 charge to defray administrative costs after the order has been entered into our system.

Freight Claims

Claims for non-delivery, partial loss in transit, goods received in damaged condition, or other freight claims should be made by the purchaser immediately against the carrier involved. We ship on an F.O.B. basis, our liability ceases when the carrier accepts the goods.

Non-Conforming Shipments

Claims for short shipments must be made against MegaWall, Inc. within ten days of receipt of shipment.

Liability

We have no responsibility for consequential or incidental damages resulting from the purchase or use of the goods. Additionally, we will not be responsible for any delay in the performance of any order or in the delivery of any goods, or for any consequential or incidental damages resulting.
