MEGAWALL™ SLATWALL SYSTEMS

MegaWall is the premier manufacturer of slatwall display systems. Our products feature slatwall profile sections that interlock to form uninterrupted wall and display areas. Options include hidden fasteners, multiple slat-spacings and single or double-sided systems. Additional products include prefabricated panels, kits to update display gondolas, custom fixtures, shelves and brackets. MegaWall products offer outstanding appearance, incredible strength and outstanding durability.

NUPANELS RETROFIT SYSTEM

NuPanels™ are 2-sided modular sections that drop into any standard gondola. They're able to function as independent top or bottom sections in 6" increments—or as entire panels. Gondola slotted uprights remain totally accessible for shelving, header signs or inserts with no interference. NuPanels™ accept standard slatwall hardware and are available in 1" or 2" vertical slat spacing.

A cost effective update for outdated gondolas.

Full Panel

Top Section

Floating Section

- 1" or 2" Slat Spacing.
- Modular Sections.
- Double-Sided Panels.
- 6" Vertical Increments.
- Anodized or powder coated aluminum.
- Custom colors available.

Accepts Both Floating Shelves & Slatwall Hardware

The V-Wall display system accepts both standard slatwall brackets AND floating, slip-in acrylic or glass shelves. V-Wall is supplied as an aluminum extrusion, ready to be embedded in 5/8" drywall but can be combined with other wall materials. It works well with laminate or veneer facings, keeping slot exposure to a minimum. V-Wall is compatible with energy efficient LED strip lighting (customer supplied & installed). Standard 96" lengths, raw mill finish, \$39.50 ea.

With customer supplied LED lighting.

Inset into drywall.

Terms and Conditions

Payment and Terms

Checks and credit cards accepted - American Express, Visa and Mastercard. Net 30 day terms can be arranged in advance with approved accounts. All overdue accounts will be charged at a rate of 1-1/2% per month, calculated daily.

Shipments

All shipments are F.O.B. our plant, Comstock Park, Michigan. Where shipment is requested on a prepaid basis, the freight charges can be included on the invoice, or charged separately by prearranged third party billing or "collect" directly to the consignee.

Cancellations & Returns

Cancellations will not be accepted on any orders for custom or special items at any time after entry into our system. Cancellation requests for regular items will incur a \$50 charge to defray administrative costs after the order has been entered into our system. Undamaged, unopened cartons may be returned, subject to a 25% restocking fee. Customer responsible for return shipping.

Freight Claims

Claims for non-delivery, partial loss in transit, goods received in damaged condition, or other freight claims should be made by the purchaser immediately against the carrier involved. We ship on an F.O.B. basis, our liability ceases when the carrier accepts the goods.

Non-Conforming Shipments

Claims for short shipments must be made against MegaWall, Inc. within ten days of receipt of shipment.

Liability

We have no responsibility for consequential or incidental damages resulting from the purchase or use of the goods. Additionally, we will not be responsible for any delay in the performance of any order or in the delivery of any goods, or for any consequential or incidental damages resulting.
